Words from the PTA Council President:

Greetings from the Council of PTAs President...

We are well into our 3rd week of school and I hope that you are having a great school year! Thanks to those of you who have already done your concessions stand duty. We have really enjoyed meeting your volunteers.

We still have a few board positions open: Health & Safety and Membership. Please email me with contact information for people who you think would make great chairs. If you are not getting email from me please send me an email ASAP. Also, please send me your PTA rosters so that my council chairs can be checking in with their local unit counterparts.

I look forward to seeing all of the Presidents and Delegates at our first association meeting, September 24, 2007 at 6:30pm.

Fay Watson

General Information

I would like to thank PJH West for helping out at our first Thursday football game held August 30th. They had a great turn out of volunteers considering the short amount of notice given. Thank you WEST!

Also, I would like to thank both C. J. Harris and Shadycrest for such a tremendous turn out of volunteers to staff the concession stand during our first home game on September 1st. You all stayed until the bitter end and clean up was done perfectly. It was truly a pleasure working with all of you. You came in with smiles and left with smiles. THANK YOU! I Can't wait until you all come back.

And for those of you who came on Saturday, September 1st a Special thanks to all the families who came in help and to the students from Interact and National Honor Society. We couldn't have done it without you! I just hope our next game won't have halftime at 10:30pm, due to all the weather delays.

Vicky Rodriguez for Sharon Walls.

SODA, BOTTLED WATER & SOFT DRINKS and the Pearland PTA Units

PISD entered into an agreement with the Coca-Cola Bottling Company for a term of ten years beginning August 1, 1998 and expiring July 31, 2008. The agreement gives Coca-Cola exclusive availability, promotional and advertising rights for products of the The Coca-Cola Company. Under section 6 – Competitive Products, the agreement states that, "No Competitive Products may be sold, dispensed, sampled or served anywhere on the Campus."

Students and employees may bring competitive products onto the campus for their personal consumption, otherwise, only Coca-Cola products are allowed to be on the campus. PISD holds the principal responsible for what happens during school sponsored events on their campus, therefore, the principal of each campus should be ensuring that only Coca-Cola products are available for the fund-raising activities at their carnivals.
